YEAR 2: ADVANCED COLORPUNCTURE TRAINING

Module 7: Disease principles and elements Fire, Earth, Air, Water
Dates ADVANCED TRAINING 2026 | 2027 | 2028: Dates to be announced

The four disease principles: Fire, Earth, Air and Water
Peter Mandel has been studying the symbolism of the elements (or temperaments) for more than thirty-five years. He calls these disease principles. You will get therapies designed to regulate the psycho-spiritual backgrounds of these disease patterns. This category includes therapies for regulating negative imprinting from parental figures.
Treatments:
.The twelve central positions on the skull
.The twelve disease principles on the pain clock and the pain grid: pain relief treatments
.The principle of the grid on the face: facial reflex zone analysis and treatment
.The information levels: eliminate energy stagnation from and via the spine
.The six regions in the ophtalmotrope-genetic therapy OGT field according to Mw Magdalena Madaus (iriscopy). The genetic reflexes are based on the current topography from the iris analysis.
.The transfer of the organ and system areas to the OGT fields on the forehead is the method to bridge the theory of iridology and treatment options with color and light.
.Case of disease principles and practical exercises

Module 8 Conflict Resolution 2
Dates ADVANCED TRAINING 2026 | 2027 | 2028: Dates to be announced

In conflict stress and illness, two components - body and mind - are no longer aligned, ie the hardware (body) and software (mind) are not 'compatible'. In order to let the sick person become healthy again, the connection between body and mind must be restored. By solving the communication problem, a functional connection between the body and the mind is created. The result is a pure well-being.
Content:
.Consistency of the basic patterns and the individual conflict
.The memory points of the Esogetic color puncture
.The points and treatment of hippocampus and amygdala - recovery of memory, also to be used in old age complaints
.Conflict resolution treatments at the level of the cause
.Bardo prenatal treatments (also to be used for guidance in the death process)
.Ancestor treatments: treatments for trauma patterns inherited from generations back
.Conflict resolution treatments at the level of the action
.Treatments for systemic diseases
.Conflict resolution treatments at the level of the consequence
.Treatments for cancer and AIDS
.Case conflict resolution and practical exercises

Module 9: Analysis, pathology and therapy for the element Fire
Dates ADVANCED TRAINING 2026 | 2027 | 2028: Dates to be announced

Peter Mandel says about this: "Symbolically the fire burns in the middle of our hearts. According to the chakra doctrine, the heart was once in the middle of our chest cavity. Old traditions also describe this. They spoke of the 'fire of love' or of the 'fire of inspiration', when one actively expresses feelings.
Content:
.The Chinese skull acupuncture with color and light
Treatments for:
.Speech, language, hearing
.Eye and ear disorders
.Sensory organs
.Diseases of the mouth and of the teeth
.Rebuilding of physical strength, eg after illness
.Migraine
.The spine and the pelvis
.Heart diseases, including high and low blood pressure
.Circulatory disorders
.Cardiac arrhythmia
.Thyroid disorders
.Sciatica

.Sleep problems, recovery melatonin production of pineal gland
.Allergy treatments

Module 10: Analysis, pathology and therapy for the element Earth
Dates ADVANCED TRAINING 2026 | 2027 | 2028: Dates to be announced

Peter Mandel says about this: "The element of earth is produced by fire, water and air. Gaia, the earth, is a living organism, perfected by the spherical shape that we can see from space. The guardians of the earth are the creators of it: fire from within, water on the surface and the atmosphere (air) that envelops the planet. The union of the four elements is clearly visible to the outside world: the miraculous nature of 'mother earth'. Slowly, but persistently, the 'earth element' is just like the time that, unlike us humans, is thoughtful and patient when it comes to harmonizing irregularities".
Content:

Module 11: Analysis, pathology and therapy for the element Air
Dates ADVANCED TRAINING 2026 | 2027 | 2028: Dates to be announced

Peter Mandel says about this: "Fire and water, the first two primeval elements, bring forth the third element, the air, through their meeting. Like no other element, the air connects the outside with the interior. At our birth, the shell breaks around us: the amniotic sac. We are expelled from the water to connect with the element of air via the first breath. Now the air element connects the outside

with the interior. "
Content:
